

## Declaration of Conformity in accordance with RoHS II and RoHS III

Hereby, Global Components AG declares that all products manufactured by us comply with the requirements of Directive 2011/65/EU (RoHS II) and Directive 2015/863/EU (RoHS III) of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment (EEE).

### Scope:

This declaration applies to all electrical and electronic products manufactured by Global Components AG that fall within the scope of the RoHS directives.

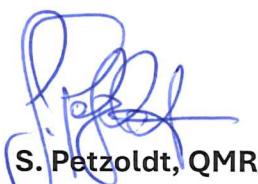

### Restricted Substances:

Our products comply with the maximum concentration values [w/w] currently required by the directives.

Substance	Chem. Symbol	Maximum concentration value
Lead	Pb	0,1 %
Mercury	Hg	0,1 %
Cadmium	Cd	0,01 %
Sechswertiges Chrom	CrVI	0,1 %
Polybromiertes Biphenyl	PBB	0,1 %
Polybromierten Diphenylether	PBDE	0,1 %
Bis(2-ethylhexyl)phthalat	DEHP	0,1 %
Butylbenzylphthalat	BBP	0,1 %
Dibutylphthalat	DBP	0,1 %
Diisobutylphthalat	DIBP	0,1 %

### Conformity Assessment:

Compliance with RoHS requirements is ensured through internal quality controls, supplier evaluations, and analysis of material data.

S. Petzoldt, QMR
